

ABOUT HACKNEY

From leafy Stoke Newington in the North to neighbourly Victoria Park in the South - via the edgy and spirited enclaves of Dalston and Hackney - this is a borough that throbs with creativity. Tucked amid rows of period houses and treelined parks are ethical cafes, singular boutiques and some of the hippest bars and restaurants in the city, with new ones opening almost every week. Take your eyes off Hackney for even a moment and it's a different landscape altogether - proof that the endless evolution of East London is only gathering pace.
