

ABOUT SOHO/FITZROVIA

Buzzy Soho and Fitzrovia need no introduction; this is where London's commercial clout, its historic tales and hedonistic pursuits collide, and it means one thing – anything goes. The famously liberal-minded district is where you'll find independent boutiques, fancy restaurants, secretive members' clubs, oddball characters, legendary clubs, and pubs with more history in their front bars than entire museums. In a city known for its frenetic pace, Soho and Fitzrovia are for those who want to go full tilt.
